The Swing Kings Return

The word is in and these guys are hot.

Boy! Do they know how to hold a crowd. The leader, Ron, gets down with the audience and talks and croons and gets into the swing of things!

Don't miss the Swing Kings the next time they play in Avalon. It's a class act, and they will thrill you and even get you dancing. Yes, you will be dancing as you never danced before!

Swing Kings Wows Avalon
and they are returning October 25 & 26

Every time these guys perform the word on the street gets better and better. Dressed to the nines all the way down to their wings tips, the fabulous Swing Kings look as good as they sound.

It is perfectly clear the Island has caught on to "Swing King Fever."

Band leader, Ron Alan has brought together some of the top musicians in the industry and recreated the good-time music of the '40s and '30s. Dressed in double-breasted pinstriped suits and wing tipped shoes, their music doubles your pleasure, doubles your fun with variety and virtuosity. While playing last month, to a packed house at The Avalon Club, located in the Glenmore Plaza Hotel, the nine piece Swing Kings played to familiar faces from our local Sheriff's Department, City Council, and the Woman's Club. Even the Mayor and his wife have become regular fans. The people in the streets, young and old, couldn't resist dancing to the fabulous beat.

audiences to a time when gangsters roamed the backrooms of speakeasies and lovers glided effortlessly across ballroom dance floors. The "Swing Kings" are proud to bring back this goodtime music and invite you to dance and enjoy the excitement and romance of those times at the Club, located in the Plaza Hotel.
